GOVERNMENT'S MOTION TO UNSEAL

NOW COMES the United States of America, by and through Dena J. King, United States Attorney for the Western District of North Carolina, and respectfully moves this Court for an Order unsealing the application for search warrant, search warrant, supporting affidavit and other related documents submitted in connection with the above-referenced matter. At the time the application for search warrant, search warrant, supporting affidavit and other related documents were filed with the Court, the government sought an order to seal on the grounds that the information concerned an ongoing investigation. While currently the federal investigation has not resulted in a Bill of Indictment in the Western District of North Carolina, there is a pending criminal case in Cabarrus County, *State of North Carolina vs. Ryan Cahill* (24cr251068-120), that concerns some of the conduct alleged in the supporting affidavit. The government now asks the Court to unseal these documents so that they may be produced to the State of North Carolina to include as part of their discovery, particularly because the affiant may be a witness in that trial.

WHEREFORE, the United States respectfully asks the Court to unseal all the documents submitted in connection with this matter.

Respectfully submitted this 31st day of January 2025.

UNITED STATES ATTORNEY
